

3 Bedroom Apartment in Agia Napa, Famagusta

For Sale : **€ 1,445,000**

Description
Rising high above the marina are two iconic towers, visible from both land and sea. Over 100 meters tall, the towers stand out in splendour like beacons
welcoming seafarers, residents and visitors alike. Their twisting forms are inspired by the female figure and draped robes of caryatids and sculptures
found at archaeological sites throughout Cyprus. Their facades are articulated with a filigree of warm-toned vertical sunshades suggestive of the
woodcraft and detail of ship-building.
Both towers have T-shaped plans that twist approximately 1.6 degrees per floor, rotating west to east as they ascend to take full advantage
of the breathtaking panoramic views of the Mediterranean, the marina and coastlines stretching in either direction. The highest floors are oriented towards the east, overlooking some of the most spectacular beaches in the world. Both towers have private and secured parking for
residents only.
