For Sale : **€ 1,746,000**

Description
Five-Bedroom Villa with Elevated Views and Timeless Design

This exceptional five-bedroom villa offers over 580 m² of interior space across three levels, including a full basement and private garage. Positioned on a generous plot, it features panoramic sea views and elegant design touches inspired by Italian heritage—arched windows, stone facades, and terracotta rooflines.

The open-plan living and dining area is framed by large windows that open to a private garden and pool terrace. The kitchen is finished with Calacatta tile, granite countertops, and state-of-the-art appliances. Five spacious bedrooms include multiple en-suites, and the layout provides privacy for both residents and guests.

The property benefits from energy-efficient systems, VRV air conditioning, and solar panels. It’s ideal for year-round residence or as a private holiday escape in a premium seaside location.
