Description
Modern Living with High Aesthetics – Contemporary 3-Bedroom Apartments in Latsia
Discover a new residential project in the heart of Latsia, designed with exceptional attention to detail to meet the demands of modern life. Combining high aesthetics with functionality, this exclusive development offers spacious apartments in a convenient and well-connected location. Just minutes from main roads, essential services, schools, and shops, it ensures both comfort and accessibility for everyday living.
Design & Architecture
The building embodies a contemporary architectural style, defined by clean lines, practical layouts, and a focus on light and space. Each apartment is carefully planned to create an inviting home environment, with open interiors that seamlessly connect living areas to outdoor spaces.
Interiors & Layout
Each apartment offers three generously sized bedrooms, ensuring comfort and privacy for the whole family.
Living & Dining Area: The open-plan layout forms the heart of the home, where a spacious lounge and dining area connect directly to a large covered veranda—perfect for family gatherings, entertaining guests, or quiet evenings outdoors.
Kitchen: Modern and functional, the kitchen is designed to combine style with efficiency, featuring ample workspace and cabinetry to suit everyday needs.
Bedrooms: The master bedroom includes an en-suite bathroom for privacy and convenience, while the additional bedrooms are ideal for children, guests, or even a home office.
Bathrooms: Finished with high-quality tiles and sanitary ware, the bathrooms balance elegance with durability.
