An opportunity to acquire a stunning four bedroom villa with light, modern interiors and wonderful outdoor space which includes a private infinity edge pool and a pagoda that offers breathtaking views over neighbouring Secret Valley Golf Course.

The outside space has recently been renovated and now boasts a brand new built-in BBQ area, a hot tub, and a wooden pagoda that stretches out of the garden, offering a really great space from which to enjoy sundowner drinks or chill-out time in the shade of the day. The views from the pool and the pagoda are some of the best on the resort, reaching right over the remarkable Secret Valley golf course out to sea. The surrounding area is very peaceful and there is a wonderful feeling of tranquillity as you soak up the views.

These views are not lost inside; the bright, modern interiors also have large windows through which the views pour in. All four of the bedrooms are en-suite: three of the bedrooms are situated on the ground floor and one in the cooler basement level. The spacious master double bedroom has an ensuite with spa bath and overhead shower, as well as a walk-in shower unit. This room shares a balcony with the second double bedroom (which is en-suite with walk-in shower) on this level, overlooking Secret Valley. The third of the rooms on this level, the twin room, has a private balcony and en-suite bathroom with walk-in shower.
