Description
2-Bedroom Apartment
The bedroom in the one-bedroom apartment is designed to provide a quiet and comfortable retreat, separated from the main living area for added privacy. The layout allows for a spacious bed, built-in wardrobes, and additional furnishings such as bedside tables or a vanity area.
Natural light plays a key role, with large windows creating a bright and calming environment throughout the day. The proportions of the room ensure it feels neither cramped nor excessive, striking a perfect balance between coziness and openness.
