

Plot with project in Neapolis, Limassol

For Sale : **€ 1,350,000**

Description
This prime plot of land, measuring 521 m², is situated in the highly desirable Neapolis area of Limassol. Positioned within a commercial zone, the property offers a high building density of 140%, providing an excellent opportunity for a significant development project. The site is fully accessible via a registered road and is serviced by both electricity and water infrastructure. Located just a short walk from the beach and within easy reach of the city centre and local amenities, this plot is perfectly positioned for commercial or residential investment in one of the city's most active districts.
