

1 Bedroom Studio in Tombs Of the Kings, Paphos

For Sale : **€ 295,000**

Description
1-Bedroom Studio
The one-bedroom studio is a compact yet thoughtfully designed home that combines practicality with modern elegance. The open-plan layout ensures every square meter is used efficiently, creating a fluid connection between the living, dining, and sleeping areas. Large windows fill the space with natural light, making the apartment feel bright, airy, and welcoming despite its smaller size.
The living space doubles as a lounge and dining area, with direct access to a private veranda — the perfect extension of the home for enjoying morning coffee, evening relaxation, or even working outdoors. The kitchen is sleek and modern, fitted with contemporary cabinetry, granite worktops, and integrated appliances. Despite its compact footprint, it offers everything needed for everyday cooking.
The bedroom zone is designed to provide privacy and comfort within the studio's open concept. Built-in wardrobes and carefully planned layouts maximize storage without compromising style. Neutral finishes and soft tones create a calm retreat, while the clever positioning of the sleeping area separates it naturally from the main living space.
The bathroom is a statement of functionality and elegance, finished with European ceramics, a walk-in shower with glass screen, chrome fittings, and an illuminated vanity mirror. High-quality materials and refined details bring a sense of luxury into daily routines.
This studio is perfectly suited for young professionals, couples starting out, or investors looking for a high-demand rental unit in a prime location.
