For Sale : **€ 649,800**

Description
2-Bedroom House – Refined Comfort & Adaptive Living
This elegant two-bedroom house has been designed with an emphasis on balance, light, and functionality — a space that evolves naturally with its residents.
The open-plan living and dining area creates a seamless flow between everyday life and moments of quiet retreat, while large floor-to-ceiling windows invite the outdoors in, filling the home with natural light and calm energy.
A modern kitchen equipped with premium finishes and ample storage connects fluidly to the living spaces, offering both style and practicality.
The master bedroom provides a peaceful sanctuary with an en-suite bathroom and private veranda access, while the second bedroom offers flexibility — ideal for guests, a home office, or creative use.
High-quality materials, underfloor heating, and smart home provisions ensure long-term comfort and energy efficiency.
Outside, landscaped areas and a private terrace extend the living experience into the open air — a perfect setting for morning coffee or sunset gatherings.
This home represents a thoughtful fusion of architecture and lifestyle, offering a serene retreat that adapts gracefully to every stage of modern living.
