

3 Bedroom Villa in Latsia, Nicosia

For Sale : **€ 330,000**

Description
This modern 3-bedroom villa offers comfortable and energy-efficient family living in a quiet and well-developed residential area of Latsia, Nicosia. Thoughtfully designed with a focus on quality construction and everyday functionality, it is ideal for families seeking a modern home with long-term value.

The villa features a bright open-plan living and dining area, three well-proportioned bedrooms, and high construction standards throughout. Built with a reinforced concrete frame and advanced thermal insulation, the property ensures excellent energy performance and year-round comfort. Energy-efficient aluminum windows with double glazing, a 3 kW photovoltaic system, and Class A energy certification contribute to sustainable living. Two private parking spaces and a dedicated storage room add convenience.

Key Features:
– 3 bedrooms
– Spacious open-plan living and dining areas
– Reinforced concrete construction
– Advanced thermal insulation system
– Energy-efficient aluminum windows with double glazing
– 3 kW photovoltaic system
– 2 private parking spaces
– Private storage room
– Energy efficiency class A

This villa offers an exceptional living experience for families seeking comfort, quality construction, and energy-efficient modern living in Latsia, Nicosia.
