For Sale : **€ 226,000**

Description
1-Bedroom Apartment – Bedroom Details
The bedroom in this apartment is designed to be a calm and private retreat, comfortably separated from the main living area to ensure quiet and relaxation. Its proportions allow for a full-size double bed along with bedside tables, while still maintaining easy movement throughout the space.
Large windows or balcony doors provide natural light and ventilation, creating a bright and airy atmosphere during the day. At the same time, the layout allows for blackout curtains or blinds, giving the room a cozy and restful feel at night. Built-in wardrobes offer practical storage without reducing usable space, helping keep the room uncluttered and organized.
This bedroom is ideal for comfortable everyday living, whether for an owner-occupier or a tenant, offering both functionality and a welcoming residential feel rather than a compact, temporary-style layout.
