

6 Bedroom Detached House in Kato Polemidia, Limassol

For Sale : **€ 650,000**

Description
This unique property consists of two houses on a single plot located in Kato Polemidia, offering excellent potential for residential use or investment. The total covered area is approximately 313 m² and the property is offered as a resale.

The first house is a ground-floor three-bedroom residence of approximately 125 m² with large verandas, while the second is a duplex of approximately 198 m², partially unfinished, providing additional development potential.

The properties include multiple living areas, balconies, storage space, and covered parking for several vehicles.

Additional features include full air conditioning and convenient access to the highway, city center, schools, and amenities.

Key Features:
– 6+ bedrooms & 5+ bathrooms
– 313 m² total covered area
– Two houses on one plot
– Large verandas
– Covered parking (4–5 spaces)
– Storage areas
– Development potential

This property is an excellent choice for investment, multi-family living, or future development in a well-connected location.
