

3 Bedroom Penthouse in Agios Ioannis, Nicosia

For Sale : **€ 330,000**

Description
3-Bedroom Penthouse
The three-bedroom penthouse offers a spacious and elevated living experience, combining privacy, comfort, and premium design. Located on the top floor, it benefits from enhanced natural light, open views, and a more exclusive atmosphere.
The open-plan living and dining area forms a bright and elegant central space, seamlessly connected to a modern kitchen. Large sliding doors lead to expansive terraces, creating a strong indoor–outdoor connection and providing the perfect setting for relaxation, entertaining, or enjoying panoramic views.
The master bedroom is designed as a private retreat, offering generous space for wardrobes and additional furnishings. Its layout creates a calm and уютная atmosphere, ideal for rest and comfort. The additional two bedrooms are well-proportioned and versatile, suitable for family members, guests, or a home office.
All bedrooms are thoughtfully positioned to ensure privacy and are enhanced by natural light, creating bright and inviting spaces throughout the home.
The penthouse also benefits from large outdoor areas, which can be used for outdoor dining, lounging, or simply enjoying the surrounding views in complete privacy.
With its spacious layout, top-floor positioning, and modern finishes, the three-bedroom penthouse offers a perfect combination of luxury, comfort, and lifestyle, making it an excellent choice for both residence and investment.
