For Sale : **€ 208,000**

Description
2 Bedroom Apartment
The two-bedroom apartment offers a well-balanced layout that combines comfort, privacy, and versatility. The open-plan living and dining area forms the heart of the home, offering plenty of room for both everyday living and entertaining guests. Large windows and glass doors enhance the sense of space and brightness, while the covered veranda extends the living area outdoors.
The master bedroom is generously sized, easily fitting a large bed and additional furniture, and includes built-in wardrobes for practical storage. It provides a quiet and restful environment away from the main living areas.
The second bedroom is equally functional and can be adapted to suit different needs — a children's room, guest bedroom, or home office. Both rooms enjoy natural light and quality finishes that add warmth and comfort.
A modern family bathroom, finished with stylish tiles and high-quality fittings, serves the apartment efficiently.
An excellent option for small families, couples needing extra space, or investors.
