

Aparthotel in Tochni Village, Larnaca

Tochni 7740, Cyprus

For Sale : **€ 1,500,000**

Description
Set in the gentle hillside landscapes of Tochni, this agrotourism aparthotel presents an investment rooted in the beauty of traditional village life. Two stone-built residences form the heart of the project, each thoughtfully arranged to offer fully furnished apartments with air conditioning and, in most units, an inviting fireplace. The result is a quiet balance of old-world character and modern comfort.

Tochni itself adds a rare layer of charm. Its winding streets, sun-washed courtyards and slow, welcoming rhythm create an atmosphere where time feels softer and the Mediterranean reveals its most genuine side. Guests come here not only to stay, but to experience village living - morning coffee under olive trees, unhurried strolls past terracotta roofs, and evenings that settle into a peaceful stillness.

Within the complex, a shared swimming pool and an intimate restaurant provide a relaxed social hub, inviting both rest and connection. Under the care of a reputable management company, the property runs smoothly and consistently, offering investors a blend of lifestyle appeal, cultural authenticity and dependable long-term potential.
