

Residential Land Plot in Pyla, Larnaca

For Sale : **€ 295,000**

Description
Residential Land Plot in Pyla, Larnaca

This excellent residential land plot is located in the popular and rapidly developing village of Pyla in the Larnaca district, offering an outstanding development opportunity just minutes from the coast and the city of Larnaca. The plot measures 2,676 m² and is registered under Plot No. 156 (Sheet/Plan 41/10, Reg. No. 0/8502), located in the Skotomenos area and zoned H2 — a residential development zone.

Development Potential
The plot benefits from a strong development framework, allowing for a building density of 90% and a coverage ratio of 50%, with permission for up to 2 floors. These parameters provide significant flexibility for residential development concepts including detached homes, semi-detached residences, or a small-scale residential project — ideal for developers, investors, or individuals looking to build a custom home in a desirable suburban location.

Location
Pyla is one of the most strategically located villages in the Larnaca district, situated between Larnaca city and the popular tourist destinations of Dhekelia and Ayia Napa. The area enjoys excellent connectivity to Larnaca International Airport, the A3 motorway, and major coastal routes, while offering a relaxed lifestyle with a mix of traditional village character and modern residential development. Local amenities including shops, restaurants, schools, and the beaches of Larnaca Bay are all within easy reach.

Overall Opportunity
The combination of a well-sized plot, favourable zoning regulations, and a prime location with strong infrastructure links makes this property a compelling option for residential development or long-term investment. With continued growth in demand for residential property in the broader Larnaca area, the plot offers excellent potential for value appreciation and end-user demand.
