

Agricultural Plot in Agios Mamas, Trimiklini

Agios Mamas, Trimiklini

For Sale : **€ 370,000**

Description
A unique and exceptional plot of land in the peaceful area of Agios Mamas, just 1.5 km from Alphamega Trimiklini and the everyday amenities of the village. Extending to a substantial 25,284 sqm, this is an outstanding investment and lifestyle opportunity in a scenic, natural setting.

The land falls within an agricultural planning zone and benefits from ready road access, along with electricity and water connections - a rare and valuable combination for a parcel of this size. Title deeds are available, ensuring a clean and straightforward purchase.

Surrounded by tranquil countryside with scenic views and natural beauty, yet within easy reach of essential amenities, this remarkable plot offers excellent potential for agricultural use, recreation or long-term investment.
