

2 Bedroom Apartment in Livadia, Larnaca

For Sale : **€ 380,000**

Description
A 2-bedroom apartment on the 6th floor of a new gated development in Livadia, Larnaca. It offers 78.2 m2 of interior space with a 19.0 m2 covered veranda, 97.2 m2 in total.

The layout provides two bedrooms and two bathrooms, the master with its own en-suite, alongside an open-plan living, dining and kitchen area that opens onto the covered veranda — a practical arrangement for families and sharers alike.

Interiors are finished with premium materials throughout: walnut parquet flooring, quartz granite kitchen countertops and designer ceramic tiling in the bathrooms and on the veranda. Sun-kissed verandas are designed for privacy and a seamless indoor-outdoor experience, and the interiors are flooded with warm daylight.

Residents have use of an on-site amenities collection including a communal swimming pool, a fully equipped fitness centre, a restorative sauna and a dedicated spa area, plus a co-working space, a playground and a sports court. The development is a gated community with landscaped gardens, and the unit comes with one parking space.

Livadia is a peaceful coastal suburb of Larnaca and a rapidly evolving municipal district that benefits from a major ongoing port and marina redevelopment. The sea is 700 m away, supermarkets are a minute from the door and private schools around ten minutes, with the island's largest airport and Larnaca city centre both within easy reach.
