

2 Bedroom Penthouse in Chrysopolitissa, Larnaca

For Sale : **€ 310,000**

Description
A fourth-floor penthouse with the rare thing in the city centre: space outside as well as in.

The apartment itself is 91.1 m², with two bedrooms and three bathrooms. Then the outdoor rooms begin — a covered veranda of 21.2 m² and a large uncovered terrace of 44.2 m². Add a garden area of 8.9 m², storage of 3.50 m² and a common area of 12 m², and the total is 180.9 m².

Three bathrooms give the layout more ease than a typical two-bedroom. The terrace is the real luxury: light, air, and a place to live outside above the streets of Larnaca.

A penthouse for someone who wants the centre of the city, and a horizon as well.
