

2 Bedroom Penthouse in Agios Sylas, Limassol

For Rent : **€ 1,800**

Description
A luxurious penthouse apartment in Agios Sylas, set in a new and well-developed building, available on flexible terms to suit either a couple or a larger household.

THE MAIN FLOOR - 1,800 EUR per month
The main floor offers one en-suite bedroom and a second bedroom, opening onto a large veranda. The apartment is unfurnished, leaving a tenant free to bring their own pieces, but comes equipped throughout with modern appliances and air conditioning units. Two parking spaces are included, both with provision for electric vehicle charging.

WITH THE ROOF GARDEN - 2,500 EUR per month
The roof garden level can be taken in addition, adding a further en-suite bedroom, a dedicated office space and a huge veranda of its own. For a tenant who works from home, or who wants a guest suite entirely separate from the main living floor, this turns the property into a genuinely spacious private residence with outdoor space on two levels.

Agios Sylas sits just north-west of Limassol near Ypsonas, a quiet and established residential area with straightforward access to the highway and the city.

Both configurations are available - please confirm which is required when arranging a viewing.
