

3 Bedroom Apartment in Pissouri, Limassol

For Sale : **€ 420,000**

Description
This apartment sits in the hillside village of Pissouri, looking straight out over the bay. The sea view is panoramic and unobstructed — water, sky and the white cliffs of Cape Aspro filling the horizon from morning light to sunset.

Inside: 110 m², three bedrooms and two bathrooms. Proper living space, not a compact holiday unit. The rooms feel open and easy to live in.

Outside is the real showpiece: a 50 m² uncovered balcony. Large enough for a dining table, lounge chairs and long evenings with the sea in front of you. Open to the sun and the view.

Around the property, citrus trees grow — orange, grapefruit and lemon — so the air carries that Mediterranean scent of fruit and sun. The complex has a swimming pool, with the same striking views as the backdrop. Two covered parking spaces come with the apartment.

A strong home in a beautiful setting, with the kind of sea view that does most of the talking.
