

3 Bedroom Apartment in Parekklisia, Limassol

For Sale : **€ 2,750,000**

Description
A 3 bedroom apartment (unit 201) on the 1st floor of a boutique residential development in Parekklisia, Limassol, with views towards the Mediterranean. It offers 175 m² of internal space and 62 m² of covered verandas, with a total gross area of 354 m².

The layout is arranged around a generous open-plan living, dining and kitchen space that flows out to expansive verandas. Three bedrooms include a master suite with en-suite bathroom and dressing area, making this a comfortable, family-friendly home with plenty of space for entertaining.

Interiors are finished to a high standard: large-format stone-effect flooring, wood flooring in the bedrooms, wood-veneer joinery and built-in wardrobes, a kitchen with stone worktops and integrated appliances, and spa-style bathrooms with walk-in showers, stone vanities and ambient lighting. Floor-to-ceiling glazing fills the home with natural light.

Residents enjoy a secure gated environment with an infinity swimming pool, a fully equipped fitness centre, sauna and steam bath, landscaped gardens, a children's play area and 24/7 security. The apartment comes with 3 private parking spaces.

Parekklisia is one of Limassol's most desirable residential areas, combining privacy with easy access: the beaches and the Amathus tourist area are minutes away, and Limassol Marina, the city centre, international schools, five-star hotels and the highway are a short drive.
