

Seafront Office in Neapolis, Limassol

For Sale : **€ 3,542,630**

Description
A seafront office suite on the fourth floor of a landmark 2018 building on the Limassol coast, a short drive from the city centre and close to hotels, retail and restaurants. The larger of the two fourth-floor suites, it looks out across the bay from above the surrounding roofline.

The suite offers 242 square metres of covered office space together with a 41 square metre covered veranda overlooking the sea. It occupies half of the fourth floor, with four parking spaces allocated to it on the building's parking levels.

It is sold subject to the existing tenancy, which runs to October 2028, and produces income from completion.

The building itself was completed in 2018 and runs to eight storeys: two ground-floor showrooms with mezzanine, seven floors of offices above, and two full floors of parking below. A staffed reception on the ground floor receives visitors and directs them, answers the main telephone line, sorts and distributes post, and takes in couriers and deliveries on behalf of the tenants.

Services run to a standard that tenants of this calibre expect: inverter VRV heating and cooling installed throughout, fresh air and exhaust ventilation with heat recovery, E.I.B KNX lighting automation, access control, videophone entry, CCTV across the common areas, and burglar alarm, fire alarm and fire suppression systems. The office floors are fitted out as open workspace behind glass partitions, with a kitchen area and a conference TV wall.
