Description
The apartment has a special design that differs significantly from the usual Limassol residential buildings.

A truly avant-garde residential complex consisting of two stylish blocks A and B - each with 11 spacious apartments.

What really makes you pay attention to apartment is, first of all, beautiful views, location in a green oasis and quiet area. At the same time, the complex is located next to the most famous and clean beach of Limassol - Dassoudi, and within walking distance from shops, restaurants, fitness centers and beauty salons.

Bus stops are located nearby, which is important for those family members who do not drive vehicles, as well as for people who are invited to clean the premises.

The landscaped gardens created by specialists attract the attention of the guests of the complex, as neat and stylish manicured landscapes are not a big luxury in Limassol.

A large swimming pool with an adjacent cozy area for relaxation is intended exclusively for the residents of the complex and their guests, here you will be provided with a feeling of comfort and complete immersion in your thoughts, an interesting book or conversations with loved ones.
